Elections:

Per article 10.1 of the constitution, the SI Board consists of up to 9 members: 3 officers, 3 regional association representatives and (up to) 3 ordinary members.

Massimo will be deemed elected treasurer for a one-year term. Jordan, Declan and Andrew will be deemed elected ordinary members for one-year terms. Conor Sayles will serve the second year of his term as secretary in 2020 and there will be an election for president.

Each presidential nominee will be given 4 minutes for a personal statement at the AGM, followed by a total of 15 minutes Q&A. Each candidate will be given 1 minute to respond to each question.

Voting:

31 teams are fully paid up and entitled to vote at the AGM.

Teams must attend to vote (no voting by proxy per constitution). Each attendee can wield only one vote.

50% of teams (i.e. 16) must be present for quorum.

Officer elections are by secret ballot. To be elected candidates require 50% + 1 of the available votes.

If no candidates received the quota then the lowest vote candidate is eliminated and another ballot is taken.

No casting vote. In the case of a tie, additional ballots will be taken until a winner is determined.

President will hand meeting chair to Secretary for voting.
